

orthotrain

India's Premier Multi-Module
CDE Program in Fixed
Orthodontics for General
Dentists and Specialists

- Established in 2005, with over 1000 happy OrthoTrainees delivering amazing results.
- Incorporate Orthodontics in your treatment planning to provide truly holistic dental therapeutics.
- Learn modern treatments using Lectures, Hands-ons, Typodonts and Live Patients.
- Start treating your patients after first module itself.

New Batch

23rd -26th January 2027
